Why should voters vote for you?

I am transparent, accountable, and have a proven record on holding the line on taxes.

I Am Motived To Run For Office Because:

At the beginning as a trustee was to curb the skyrocketing tuition at EPCC. Now, it's to lower our ever-increasing taxes and to stop spending certificates of obligation without voter approval.

I Admire:

My wife Judge Anna Perez because she's able to excel balancing being a mother, wife, daughter, Judge, and Associate Judge.

I Will Vote As A Trustee* Or As A Delegate*

**A trustee votes their conscious on public policy. A delegate votes what their constituency wants.*
I will make policy decisions as a "Representative" not "Trustee" a trustee makes decisions on the philosophy the one knows best. A Representative makes decisions on representing the wishes of the constituency. I will govern as a Representative, which is what's missing on Council.

I Will Stay In Touch With My Constituency By:

Opening a satellite office on the eastside, return calls, monthly newsletter, emails and have monthly community meetings. Everything that District 6 deserves and has not received in years.

Top Three Issues

1. Tax freeze for seniors and individuals with disabilities.
2. Hold City Manager accountable.
3. Zero based budget. (edited, see online for full responses.)

The 2012 Multipurpose Cultural Arts & Entertainment Center

I would never vote or support an arena on the backs of taxpayers.
