Why should voters vote for you?

I am the only candidate with a proven record of fighting corruption and improving the quality of life for El Pasoans.

I Am Motivated To Run For Office Because:

I am a fourth generation El Pasoan that loves this city and I want to see us more economically competitive.

I Admire:

My grandmother Lucy Salcido who dedicated her life to getting women and latinos elected into office while raising six children in north east El Paso.

I Will Vote As A Trustee* Or As A Delegate*

**A trustee votes their conscious on public policy. A delegate votes what their constituency wants.*
 Delegate. We need to represent the views of the constituents of district 1.

I Will Stay In Touch With My Constituency By:

I want to keep the text messaging program, go to neighborhoods for meetings, have a newsletter, and when elected I am going to be a full time representative so I will be available when the constituents need me.

Top Three Issues

1. Taxes.
2. Public Safety.
3. Neighborhoods - Streets, Parks & Community

The 2012 Multipurpose Cultural Arts & Entertainment Center

70%+ El Pasoans voted for the quality of life bond including me. We can restore historic buildings and build a multipurpose center in Downtown. I like the idea of it being an amphitheater with retail space for restaurants and gathering spaces.
